### PET LICENSE APPLICATION

Help us help your pet get back home safely! A City of Georgetown Pet License provides your pet with immediate identification as an owned pet, not a stray. With a Pet License tag, your pet can be traced to you 24 hours a day in case of emergencies. It is ONE FREE ride home annually for your lost pet!

Pets are required by City Code to be licensed with the City of Georgetown on an annual basis. This is in addition to your rabies vaccination. All pets must be 3 months of age and currently vaccinated against rabies virus. Your pet's rabies vaccination MUST be able to be verified. If your vaccination record cannot be verified, no license may be issued.

To apply for the City License tag:

- Fill out the form below completely
- Include copy of rabies vaccination certificate
- Include a check or money order made payable to the City of Georgetown (fees listed to the right)
